Twenty-sixth Meeting
New York, 20-24 June 2016

Decision relating to the staff pension committee of the International Tribunal for the Law of the Sea

The Meeting of States Parties,

Considering that the Meeting of States Parties at its sixteenth session decided that the staff pension committee of the International Tribunal for the Law of the Sea would be composed of three members and three alternate members and that one member and one alternate would be chosen by the Meeting of States Parties,

Considering also that the Meeting of States Parties chose Indonesia as member and Canada as alternate member of the staff pension committee in 2010 and 2007 respectively,

Noting that the terms of office of the Embassy of Indonesia in Berlin and the Embassy of Canada in Berlin have expired,

Noting also that, once their terms of office have expired, members and alternate members continue to hold office until their successors are nominated,

Decides to extend the nominations of Indonesia as member of the staff pension committee and Canada as alternate member of the staff pension committee for a three-year term of office starting on 1 July 2016.
